With 15 beautiful gardens, spacious and functional unit layouts - each with its own scenic view - Martin Modern offers the best of cosmopolitan living right in the midst of one of Singapore's most sought after prime residential districts.

Situated on a large land parcel in District 9, notably the most prime address in Singapore, Martin Modern represents a rare opportunity to own a piece of Singapore. Located right next to Orchard Road, River Valley, and Robertson Quay, it is also minutes away from the Central Business District (CBD), Chinatown and Marina Bay. In the near future, the upcoming Great World MRT station and the Fort Canning MRT station will connect Martin Modern to most parts of Singapore. A whole new potential awaits those with the foresight.

Designed by four-time President's Design Award winning architect Yip Yuen Hong of ip:li Architects, Martin Modern has generously utilized 80% of its land area to be developed and artfully designed into a unique botanical garden and arboretum of native flora. The botanical garden will form a lovely, enchanting, natural park that will embrace the two towered development. Residents and their loved ones will be able to stroll, jog and do yoga - without crowds - within their haven in the prime district.

Martin Modern redefines luxury by putting lush and restful gardens at the centre of the design concept. The foliage, flowers and trees have been carefully selected and the undulating terrain forms dramatic and expressive vistas for the enjoyment of residents and their guests.

In Martin Modern, the landscape designers have created a variety of gardenscapes for different experiences. As much as 80% of Martin Modern's land space is used to create 15 beautiful gardens filled with over 200 species of plants and 50 species of trees. These gardens, whether magnificently impressive or quietly peaceful, have been created to fulfil a variety of recreational needs — from the arrival court, to lawns, rainforest trails and water courtyards. The highlight is a secret garden created on each of the towers' rooftop to allow residents some of the most splendid views and vistas of the intoxicating cityscape while entertaining their guests.

在玛庭豪苑，宽阔的活动空间、可安抚情绪的绿色景观，使得住户一回家便能放下疲惫的身心，尽情享受和体验自然之美。玛庭豪苑的奢华感不仅仅出于建筑，更存在于它的辽阔空间感和景观。层层叠叠的绿意，不同主题的花园，悉心挑选的各类植物，在错落有致的项目园区内被精心营造与设计，创造出移步换景的丰富景致，使空间充满层次和细节。

玛庭豪苑的园林设计理念来源于新加坡植物园，项目将有超过80%的面积保留给园林景观，超过200种植物和50余个不同品种的树木分布于15个特色主题花园，如迎宾阁、派对草坪、雨林花园和水阁庭院等。穿梭于一个一个花园时，您会时而惬意、时而惊喜，时而为它的壮阔感动，时而为它的静雅沉思，而这段旅程将在到达顶层的秘密花园时转为高潮，建筑的精粹与园林的优美在此达到巅峰。徜徉在花园小径中，阳光穿过屋顶撒在银色的植物上，举目便是一览无余的城市美景，如此如诗如画的景观足以让您久久沉醉。
