Jurong Lake District

Live, Work, Play, and Learn in the Largest Mixed-Use Business District Outside the City Center

As the second-largest business district, Jurong Lake District extends from Jurong Gateway, south of Jurong Town Hall Road, and houses integrated campuses ranging from sustainable business parks to innovative educational institutions catering to every need.

This upcoming precinct will house a 6.5 ha white site in 2024, yielding at least 146,000 sqm of office space, 1,700 residential units, and 73,000 sqm of retail, F&B, entertainment, and hotel space. This integrated development also plays an integral part in URA's Master Plan, offering more than 160 ha of parks and waterbodies with a projected 10,000 new jobs and 20,000 new homes by 2050.

Located right in the center of this, Sora offers its community greater flexibility and opportunities in the way we live, work, play, and learn within Jurong Lake District.
