A JOURNEY TO THE COASTLINE...

WHERE HOME AWAITS.

THIS IS COASTLINE RESIDENCES

An exclusive development boasting expansive views of the sea. Coastline Residences redefines stylish and luxurious living in the East. Situated on a scenic stretch along Amber Road, it is a short drive to the CBD and a stroll to Parkway Parade.

THE SEA, THE WAVES, THE COAST - REIMAGINED

The architecture of Coastline Residence draws direct inspiration from the surrounding blue waters. Combining the poetic fluidity of the sea with the Modernists' view on formal geometry and lightness, the result is a beautifully crafted sanctuary that transforms depending on your vantage point.

The building's facade features undulating curves, much like the ebb and flow of the tides. This design alludes to the calming nature of the shore, drawing references from the forms and elements crafted by the tides.

Shaped by this poetic landscape and contextual nuances, Coastline Residences features communal facilities enveloped by nature. This connection to nature is further enhanced by tranquil garden sanctuaries scattered throughout the building.

The layout of each unit reflects the simple and elegant modernity of the overall architecture. Here, the modern approach draws out the best of each space. Bedrooms and living and dining areas are designed to allow in abundant natural light and ventilation, and for residents to easily take in the expansive views. Luxurious interiors feature meticulous attention to detail, found in finishes, appliances and carpentry.
